2. The promotion requires the package to be paid for by bank transfer within the time limit set out in the Booking and Payment Terms (3 days from booking), before the day of the game.
3. The 10+2 promotion may be combined with the discount codes referred to in § 6 if the announcement of the given code so provides. It cannot be combined with the other promotions described in these Rules.

§ 3. Reduced tickets and student discount

3. The student discount cannot be combined with other promotions and discounts.

1. Groups organised by schools and other educational institutions (school trips, day camps, green schools) are entitled to a discount of PLN 10 off the ticket price for a game in the outdoor arena.

1. Groups organised by schools and educational institutions, numbering from 16 to 48 participants, are entitled to a discount of PLN 5 off the price of each ticket for a 30- or 60-minute game, for games taking place until 31 December 2026.
2. This discount may be combined only with the school trip discount for outdoor games (§ 4). It cannot be combined with the 10+2 promotion, the student discount or discount codes.

§ 6. Discount codes and seasonal promotions

1. The Organiser may announce seasonal promotions and discount codes (e.g. summer codes) by publishing at www.lasertagpoznan.pl, in the results service or on social media an announcement specifying the amount of the discount, the period in which the games covered by the promotion take place, and the rules for combining it with other promotions.
2. A discount code must be given at the time of booking, before payment. A code cannot be exchanged for cash, cannot be applied to bookings already paid for and is valid only in the period indicated in the announcement.
3. Unless the announcement provides otherwise, a discount code cannot be combined with other promotions and discounts.

§ 7. Final provisions

1. Only one promotion or discount may be applied to a ticket, except for combinations expressly permitted in these Rules or in the announcement of a discount code.
